Dear Store Manager,

I need your help. I love King Oscar premium canned seafood. King Oscar's Norwegian brisling sardines in a variety of classic and innovative flavors, skinless & boneless sardines, new skinless & boneless mackerel fillets, kipper snacks, and anchovies all offer the incomparable flavor and consistent quality I can't get with any other brand.

Unfortunately, I cannot find my King Oscar favorites in your store. Please see below. I have circled the King Oscar products I am interested in. Can you let me know if you can carry these products and when I might expect them on your store shelves? I appreciate your help and look forward to hearing from you.

Sincerely,
